The Suite Life at The Kahala Hotel & Resort

KAHALA—The suite life experience at The Kahala Hotel & Resort ranges from sheer luxury and opulence to comfort and value. From ample space and relaxation for families, to extravagant service and other luxurious amenities, The Kahala Hotel & Resort offers a variety of suites that will exceed your expectations.

All suites feature Beautyrest Westbury Recharge Plush mattresses by Simmons Hospitality for luxurious sleeping, along with 40-inch flat screen LCD television with remote control; iHome docking station with alarm clock/radio; in-house pay-per-view movies; complimentary telephones, tea and coffee; tropical fans and individually-controlled air-conditioning. Luxurious bathrooms include double vanities, chenille bathrobes and slippers, hairdryer, illuminated makeup mirror, and Bulgari toiletries.

ONE- AND TWO-BEDROOM SUITES

The Kahala Hotel & Resort offers 28 one- and two-bedroom scenic ocean view and oceanfront suites that are decorated in ivory and coffee-color tones with hibiscus-patterned wall-to-wall carpeting and Brazilian walnut (*Ipe*) wood flooring as well as hand-woven dhurrie rugs in tropical flower patterns. Accents include nautilus shells in window box frames, ruffle-edged mirrors, and hand-painted dressers.

Views range from ocean expanses with Diamond Head and Koko Head Craters, to emerald green golf fairways and lush tropical gardens.

SIGNATURE SUITE COLLECTION

The Kahala's Signature Suites are a collection of extraordinary suites each designed for the discerning luxury traveler. These specialty suites include the opulence of the Imperial Suite, the dignified elegance of the Presidential Suite, the residential seclusion of the Kahala Kai Suite, and the serene oceanfront Kahala Beach Suite. The resort's personalized Signature Suite Amenity Program includes a plethora of perquisites and special services, from personalized stationery and roundtrip airport transfers via luxury SUV, to morning coffee delivery and a slew of other exclusive services.

(more)

Kahala Beach

The Kahala Beach Suite offers increased seclusion and privacy near the Dolphin Lagoon and is only steps away from beautiful Kahala Beach. The Kahala Beach Suite's dark wood and earth tone fabrics designed by Nicole Miller create a contemporary and distinctly island-style ambience complete with dining table and an outdoor barbecue grill perfect for entertaining family or up to 50 guests during your stay.

Three sliding glass doors open to the wrap-around patio with chaise lounge, reclining chair seating, and outdoor dining table. The four-poster king bed is dressed in luxurious goose down duvet and the finest cotton linens. Hardwood floors adorned with Bali Hai blue and gold silk wool rugs lend an air of tropical chic. This suite may be reserved with a choice of one or two connecting bedrooms. Approximately 1,250 square feet or 116 square meters.

Kahala Kai

On the second level near the Dolphin Lagoon offering stunning ocean views, the Kahala Kai Suite, with its cozy beach cottage décor by Ralph Lauren Polo Collection, is chic and trendy, reflecting relaxed coastal living at its very best. The room opens onto a private balcony. Other amenities include a writing/computer desk and compact home entertainment system. This suite is perfect for families as it may be reserved with one or two adjoining bedrooms.

Room décor and accents reflect the colors of the sea and sand which are footsteps away. Approximately 1,250 square feet or 116 square meters.

The Presidential Suite

Home away from home for Presidents and Princesses, the Presidential Suite combines luxury sleeping accommodations with amenities for business and private entertaining. The Presidential Suite is a spacious, 2,200-square foot sanctuary offering separate master bedroom, living room, and office spaces designed with Hawaiian residential sensibilities for home-away-from-home comfort. The Suite features commanding views of the azure-blue Pacific Ocean from Koko Head to Diamond

Crater. The Kahala's Presidential Suite has hosted England's Queen Elizabeth II, Prince Phillip, Prince Charles and Princess Diana; India's Prime Minister Indira Gandhi; their Majesties the Emperor and Empress of Japan; and Monaco's Prince Rainier and Princess Grace, among many other celebrities, Heads of State, and captains of global industry. Approximately 2,200 square feet or 204 square meters.

Imperial Suite

In the Penthouse on the highest floor, the Imperial Suite offers the ultimate Kahala Signature Suite Experience. Elegant and sophisticated, the Imperial Suite accommodations include a comfortable and spacious living room, expansive board room, and a luxurious master bedroom with king bed and an ideal bathing refuge for cleansing and relaxation. The suite also features a concealed door, which accesses an optional second bedroom conveniently configured with two double beds. Hand-carved wood behind the master bed

reveals a luxurious bathroom with deep-soak tub, elegant white marbled vanity counters, and super-sized Kohler watertile rain shower. Other amenities include three phones, personal fax machine, three televisions, DVD and VHS player, mini bar, in-room safe, separate powder room, and a convenient writing desk. Approximately 2,200 square feet or 204 square meters.
