

# March Newsletter

KISCA (Kahala Initiative for Sustainability, Culture, and Arts) is our commitment to preserving our 'āina, kai, and nā 'ike a me nā hana (land, ocean, and culture).

We are proud to support many local sustainability efforts and provide guests with opportunities to explore Hawaiian culture on property within our community.

We believe that KISCA is an important program that allows our guests to give back to the community and while experiencing authentic Hawaiian practices and customs.

## KISCA Music Event: Robi Kahakalau

Plumeria Beach House | March 20th |  
6:00PM – 8:00 PM

Join us on Wednesday, March 20th for a special musical performance from Robi Kahakalau. As the sun sets, enjoy Kahala favorites while you sway to the tunes of local music.

Music has always filled Sistah Robi's life. It is a part of her roots. Robi's multi-cultural, multi-lingual background is also reflected in her music, which ranges from soft Hawaiian rhythms to funky reggae beats, from American pop songs to Polynesian traditionals. As long as it feels good, as long as it's fun, she sings it -in her own special way.

## Check out our Oysters!

Located near Dolphin Quest

Head over to our above ground holding tank to view juvenile oysters acclimate to our waters before they are out planted for local restoration efforts.
